MIDSUMMER

House-cleaning in August may not be good domesticity but it's good merchandizing. We're promised 2½ months, full 80 days of warm weather yet, so the seasonableness of our goods can't be disputed. You need coaxing, we need money. Therefore we're going to convert stock into cash by offering price inducements you can't resist. It's easy enough to sell the "cheap" cheap, but we're selling the good cheap. Key your expectations to the lineset, then come. This is a sale to move accumulated stock, not to make a profit. Begins Monday, August 12th. ends Saturday. August 17th. TABLE LINENS.
